PROSPECTUS

FOR ADMISSION TO GOVERNMENT MEDICAL & DENTAL INSTITUTIONS OF THE PUNJAB
Session 2012-2013

UNIVERSITY OF HEALTH SCIENCES LAHORE
PREFACE

Medicine and Dentistry are the noblest of professions and attract the most brilliant students. These students demand a system of selection that is duly probing, robust and fair. University of Health Sciences Lahore has tried to make the process structured and transparent which is regularly reviewed to ensure that only suitable and capable candidates are admitted. The Government believes that all candidates should have an equal opportunity to show their suitability for the undergraduate course and entry to the medical or dental profession based on the principles of Merit, Justice, Equity and Transparency.

Students joining medical and dental institutions are ready to accept the challenges that 21st century has brought to and will continue to bring to medicine. It is an exciting time for undergraduate medical and dental education, and the passions, beliefs and enthusiasm of those who will embark on a satisfying and challenging career are well placed to positively influence and advance the undergraduate learning environment in our institutions.

Students should be aware of hard work ahead of them as they enter medical and dental colleges. However, from the Entrance Test to graduation they must feel confident that University of Health Sciences' policies are fair, equitable and encourage diversity, particularly in their selection procedures.

The Prospectus has been designed to facilitate the students seeking admission to Government Medical and Dental Institutions of Punjab. It has been written in a simple language to give a better understanding of selection and admission process. Much of this document focuses on rules and regulations for selection and admission of candidates. Furthermore, it also outlines the courses of study and examination pattern for both MBBS and BDS students. This Prospectus is being issued with the approval of Government of Punjab.

University of Health Sciences (UHS) Lahore

University of Health Sciences (UHS) Lahore is a vibrant, internationally recognized, student-centered, research university with more than 80 colleges and institutes affiliated and about 35,000 undergraduate and 3,800 postgraduate students registered with it. It has been declared as “No.1” public sector medical university and 8th Best among all the Higher Education Institutions of Pakistan in Higher Education Commission Ranking 2012.

The University was established with the promulgation of UHS Ordinance on September 15, 2002. Its campus was inaugurated on October 02, 2002. Prof. M.H. Mubbashar was the first Vice chancellor of the university. Currently, Professor Dr. I.A.Naveed is holding the charge of Vice Chancellor and the Chairman Admission Board for Medical & Dental Institutions of the Punjab.

UHS was the first dedicated health sciences’ university established in the province with a vision to bring qualitative and quantitative revolution in medical education and research through evolution.
The University is focused on delivering high-quality instruction in Basic Medical Sciences, revitalizing the neglected fields of Nursing and Allied Health Sciences, pioneering courses in Bio-Medical Engineering, Medical Education, Human Genetics and Behavioural Sciences, and fostering indigenous research activities. High level of theoretical and practical training of postgraduate students is organized according to the requirement of international standards of education and healthcare but with sufficient academic independence.

The University offers M.Phil and Ph.D programmes in Anatomy, Physiology, Biochemistry, Microbiology, Immunology, Pathology, Pharmacology, Haematology, Forensic Medicine, Behavioural Sciences and Human Genetics. It has launched, for the first time in Pakistan, Master’s degree programmes in Nursing, Medical Laboratory Technology and Bio-Medical Engineering.

UHS is research-intensive. Its ethos from its beginning has been to produce highly relevant research that solves real health problems and improve people’s quality of life. An extensive on-campus research is going on in more than 200 different areas including various diseases such as asthma, diabetes, tuberculosis, typhoid, infertility, environmental pollution, various types of cancer, genetic disorders, consanguinity, developmental abnormalities, metabolic syndromes, hepatitis B & C, and liver and renal disorders. University has high-tech labs equipped with most modern equipment. To encourage research at undergraduate level, the university has introduced a Research Award Scheme. Under this scheme those brilliant students are awarded cash prizes who carry-out various research projects in their colleges.
The university is known internationally for its high-security, high-fidelity, reliable and transparent examination system. UHS is a member of International Database for Enhanced Assessment and Learning (IDEAL) Consortium and shares its question bank with UK, Australia, Hong Kong, China, Canada, New Zealand, and South Africa.

The University is recognized by World Health Organization (WHO), General Medical & Dental Councils of United Kingdom, Pakistan Medical and Dental Council and Higher Education Commission of Pakistan. It has developed academic linkages with top universities of the world including Texas University, USA; Duke University, USA; University of Pittsburgh, USA; Muenster University, Germany; Reim University, France; Nottingham University, UK; Royal College of Physicians, UK; Xi’an Jiatong University, China; and Centre for Disease Control (CDC), Atlanta, USA. In 2009, UHS and Liverpool University, UK, signed an agreement for launching dual degree programme in medical education. Recently, the World Education Congress Asia has declared the University of Health Sciences (UHS), Lahore, as the “Best Educational Institute in Healthcare”.
King Edward Medical University (KEMU) Lahore

This great institution had its inception in 1860 as Lahore Medical School. In August, 1860, Dr. J.B. Scriven was invited to become the first principal of this school. The institution is the second oldest seat of medical learning in the sub-continent, the first being in Calcutta.

The school started functioning in Artillery Barracks with a dispensary attached which was located almost a mile away from the school. The first academic building of the school was completed in 1883 and it was upgraded as Lahore Medical College in 1886. The Licentiate Diploma initially offered by the school was re-designated as Bachelor degree programme and first MBBS degree was awarded in 1891. In 1870 the college was attached to the newly constructed Mayo Hospital. It was officially affiliated with the Punjab University in 1906. In December 1911, Lahore Medical College was rechristened as King Edward Medical College. It has several blocks named after various former princely states of the Punjab including Patiala Block, Bahawalpur Block, Farid Kot Block and Kapurthala Block.
After independence in 1947, Lt. Col. Ilahi Bukhsh became the first Pakistani principal of the college. In January 2006, the college was upgraded to a degree-awarding medical university. Prof. Asad Aslam Khan is currently looking after the duties of Vice Chancellor, King Edward Medical University.

Mayo Hospital with a capacity of 2399 beds is the major teaching hospital affiliated with this institute. Other affiliated hospitals are Lady Willingdon and Lady Aitcheson hospitals. Besides MBBS, the University is offering BSc (Hons.) courses in 15 disciplines of Allied Health Sciences. Besides the training of FCPS students the University is also running PhD, MPhil, MD, MS and MDS courses.

There are many societies for the students to take part in extracurricular activities such as Literary Society, Debating Society, Sports Club, Kemcolians Arts and Photography Society, Students’ Patient Welfare Society, and Kemcolians Dramatic Society.

The students of the institution are referred to as KEMCOLIANS. The University has its own magazine, KEMCOL, maintained by the students. “Annals of KEMU” is a scientific journal officially published on quarterly basis by the University.
Allama Iqbal Medical College (AIMC) Lahore

Named after our national poet, Allama Iqbal Medical College was established in May 1975. Initially, it was located inside the building of the College of Community Medicine at Birdwood Road, Lahore and Services Hospital was attached to it for teaching purposes. Professor A.H. Awan was posted as the first principal of this college. Prof. Mahmood Shaukat is the current and 14th Principal of AIMC.

On May 18, 1989, the college was shifted to the new campus on the western side of the canal, spreading over 105 acres. This campus includes buildings for basic and clinical science departments, administration, hostels for students and hospital residents and a nursing school. The college has enviable sports facilities including an outdoor swimming pool, tennis courts, cricket stadium, track and field and separate gymnasiums for boys and girls. Jinnah Hospital is the teaching hospital affiliated with the medical college for undergraduate and postgraduate training. The students and graduates of this college are referred to as “IQBALIANS”. The college publishes a yearly magazine, ‘SHAHEEN’.
In a short period of time, this college has managed to place itself among the top medical institutions of the country. Besides MBBS, this college also offers B.Sc. Physiotherapy, B.Sc. Medical Laboratory Technology and B.Sc Nursing (4-Years) courses.

The Chief Minister, Punjab laid foundation stone for new building of NSMC on March 15, 2012. The total area of the new campus is 62 acres.
Dera Ghazi Khan is an important district of Punjab, due to high educational standards despite its delayed socioeconomic development. The Government of the Punjab has started construction of regular academic block and hostel building to be attached with the 346 bedded D.G. Khan DHQ Hospital, where all the major Medical and Surgical specialties including, Medicine, Surgery, Pediatrics, Gynecology, Eye, ENT, etc are available for treatment of patients. The first batch of 100 students was admitted in Session 2010-11 and their classes were started at Quad-e-Azam Medical College, Bahawalpur, which were shifted to the D.G. Khan Campus on November 28, 2011. Establishment of the D.G Khan Medical College will go a long way towards fostering social and economic development of South Punjab.
Gujranwala Medical College (GMC), Gujranwala

Gujranwala is sixth largest district of the Punjab, and is famous for its industry, rich agri-based economy, having a population of nearly 4.5 million. Gujranwala is a fast growing mega city having established many new educational institutions like Gujranwala Campus of the Punjab University, GIFT University, etc. In 2010, Government of the Punjab approved the establishment of Gujranwala Medical College and the campus was inaugurated by the Chief Minister Punjab on 17th January 2011. The hostel facilities are available for both male and female students. Government has advertised tenders for construction of regular academic block and hostel building to be attached with the 472 bedded DHQ Hospital, where all the major specialties including Medical, Surgical, Pediatrics, Gynecology, Eye, ENT, Orthopedics, Neurosurgery, Cardiology and Urology, etc, are available. The classes are being held at the campus constructed for the College of Home Economics at Satellite Town Gujranwala, and will be shifted to the regular campus as soon as the works are completed. Prof Atiya Mubarak Khalid is the Founder Principal and Project Director of Gujranwala Medical College.
Sahiwal Medical College (SLMC), Sahiwal

Sahiwal is an old district of Punjab, having a rich agriculture-based economy and is famous for its educational institutions. Feeling the utmost need of a medical college in the area, Sahiwal Medical College was established in 2010. Initially, the classes were started in School of Paramedics situated at DHQ Hospital Sahiwal. The college is attached with DHQ Hospital Sahiwal (438 beds), Government Haji Abdul Qayyum Hospital (72 beds) and Ghalla Mandi Mini Hospital Sahiwal for teaching purposes. The construction work of new campus spreading over an area of 61 acres is in progress. Prof. Dr. Iftikhar Ahmad Chaudhry is the current Principal and Project Director of Sahiwal Medical College.
Khawaja Muhammad Safdar Medical College (KMSMC), Sialkot

Sialkot is the city of our national poet Allama Mohammad Iqbal and has a rich agricultural background, coupled with a fast growing export oriented industry. Khawaja Muhammad Safdar Medical College was established in 2010. For training purposes the college is attached with 400 bedded Allama Iqbal Memorial DHQ Hospital Sialkot and 135 bedded Sardar Begum Memorial Hospital, Sialkot. In these hospitals, major specialties including Medical, Surgical, Pediatrics, Cardiology, Eye, ENT, Gynecology, Urology, Orthopedics, Neurosurgery etc, are available.

The classes are being held in the building of the Public Health Nursing School and the School of Paramedics and will be shifted to its own campus as soon as the civil works on the regular building for basic sciences are completed. Prof Dr. Nosheen Omer is the current Principal and Project Director of the college.
Ameer ud Din Medical College (AMC), Lahore

Post Graduate Medical Institute (PGMI), Lahore was established in 1974 in a block in King Edward Medical College, Lahore with the aim of providing postgraduate teaching and training to doctors in both clinical and basic subjects. The institute is running 60 different courses, which includes 12 Diplomas and 48 Degree Courses.

Ameer ud Din Medical College has been launched as an undergraduate component of PGMI and is fifth public sector medical college in the city. It is affiliated with Lahore General Hospital and its students would be taught and guided by the seasoned and experienced faculty members of PGMI.

The college is named after renowned Professor Emirates of Surgery Dr. Ameer ud Din in recognition of the services rendered by him.
**de' Montmorency College of Dentistry (DCD), Lahore**

de’ Montmorency College of Dentistry is the oldest institute of dental sciences in the subcontinent and has been the centre of excellence for over 80 years. The college was established in 1928 by the then Governor of the Punjab Sir Jeffery Fritz Harvey de’ Montmorency. The college is situated in the west of the old city near the historic Badshahi Mosque. First Principal of the College was Dr Peter Gillies. The current principal is Prof. Dr. M. Waheed ul Hamid.

It is the largest training centre of dentistry in the country. Besides Pakistan, students from around seventeen countries of the world have graduated from this college. It is also recognized as training centre for FCPS/MCPS in Prosthodontics, Operative Dentistry, Orthodontics and Oral Surgery. The college is also offering MDS course in four major disciplines of dentistry including Prosthodontics, Operative Dentistry, Orthodontics and Oral & Maxillofacial Surgery. Two year MPhil courses in basic dental sciences subjects are also offered. In addition, the college also runs a BSc course for the dental technologists and a course for the dental technicians and nurses.

At present, there are two campuses of de’ Montmorency College of Dentistry with extensive teaching and training facilities. The old campus houses the departments of Prosthodontics, Operative Dentistry, Paedodontics, Periodontics and Diagnostics, with lecture theatres, auditorium, library and a
museum. The Principal Office and the college Admin Offices have been shifted to this campus recently.

An additional campus for the college was established at the Government Nawaz Sharif Hospital Yakki Gate Lahore in 2002. The basic aim was to expand the existing teaching and training facilities at both undergraduate and postgraduate levels. Departments of basic dental sciences, Orthodontics and Oral & Maxillofacial surgery are located at this campus.

Hostel facilities for 250 students (boys and girls) are available at Hassan Raza Hall, Anarkali.
Nishtar Institute of Dentistry (NID), Multan

Classes in dentistry started at Nishtar Medical College in 1974. In the beginning, the dental section was housed in the building of Nishtar Hospital. However, a purpose – built independent dental college block was constructed in 2008, and the dental section was shifted to this building. In July 2009, Punjab government granted autonomous status to the dental section and it was named as Nishtar Institute of Dentistry, Multan. Prof. Dr. Muhammad Pervaiz Iqbal is currently heading the institute.

All other facilities such as hostel accommodation for boys and girls, library, sports, debates, excursions, scholarships, college bus for day-scholars are available as for the medical students in Nishtar Medical College. This institute is also offering post-graduate programmes in Oral Surgery and Operative Dentistry.
Dental Section- Punjab Medical College (DSPMC) Faisalabad

Dental Section of the Punjab Medical College Faisalabad was established on the orders of the Chief Minister in January 2009.

The pre-clinical and clinical training in basic and clinical dental subjects is imparted in the dental section while classes of basic medical subjects like Anatomy, Physiology, Biochemistry, Behavioural Sciences, Pharmacology and Pathology are held at Punjab Medical College Faisalabad. Clinical subjects like General Medicine and General Surgery are taught by the teachers of PMC at Allied Hospital Faisalabad. The section is currently headed by Prof. Dr. Arshad Malik.

Facilities of hostel accommodation for boys and girls, library, sports and literary activities are shared with PMC students.

RULES & REGULATIONS FOR VARIOUS CATEGORIES OF SEATS

i) **Open Merit Seats:**
These seats are open to applicants possessing valid **domicile certificate** of any district of the Punjab or Federal Capital Area (Islamabad) provided they fulfill basic eligibility criteria.

ii) **Seats for Disabled Students:**
a. The admission against these seats shall be carried out strictly on merit from amongst the candidates who applied for these seats and have appeared in the Entrance Test and passed F.Sc. Pre-Medical or equivalent examination with a minimum of 60% marks.

b. The candidate will be required to produce a certificate from a government certified specialist as per specimen given as Annexure-III of the Prospectus. Such certificate will only make him/her eligible to apply against the reserved seats.

c. A Medical Board constituted by the Chairman Admission Board will make final decision about the suitability of the candidate for admission against the reserved seats.

d. The Medical Board shall consist of following committees each comprising 3 to 5 experts in the relevant filed:

   i. Physical & Mental Disability Committee
   ii. Visual Disability Committee
   iii. Hearing Disability Committee

f. Disability for the purpose of admission to medical and dental institutions is defined as a physical or mental impairment that has a substantial and long-term, adverse effect on candidate’s ability to carry out normal day-to-day activities and puts him/her at disadvantage as compared to a normal person for acquiring education before entering a medical or dental institution. Here:

   - ‘substantial’ means neither minor nor trivial
   - ‘long-term’ means that the effect of the impairment has lasted or is likely to last for at least 12 months or for the rest of the person’s life
‘normal day-to-day activities’ include mobility, manual dexterity, speech, hearing, seeing, understanding danger, and memory.

g. The threshold of disability will be judged by the Medical Board, according to the structured criteria.

h. The Merit List of disabled candidates shall be finalized on the basis of inter se merit.

i. The disabled candidate selected by the Medical Board must have a valid domicile of the Punjab and should fulfill the basic eligibility criteria for admission to medical/dental institutions of the province.

j. The decision of the Medical Board shall be final.

1. The candidate must have a domicile of the same District Area.

2. The candidate must have studied, from class one to twelve, from the same district. He/she shall have to submit original certificates from Head Masters/ Principals of the concerned institutions where he/she has studied from class one to twelve. These certificates should be duly verified by the concerned EDO (Education) and DEO (Colleges), and countersigned by the District Co-ordination Officer (DCO) of the same district.
3. Candidates belonging to those tribal areas where there are no high schools or colleges available or the facility for teaching science subjects does not exist, they must have obtained their education from Class-1 to Class-12 from the district in which their respective tribal area falls and have passed their examinations from the relevant Board of Intermediate and Secondary Education.

4. The candidates from these areas can also apply against open merit seats. These reserved seats will be in addition to any number of candidates being admitted on open merit from these districts. The candidates from each of the above six districts, admitted or not admitted on open merit, can compete within their districts for reserved seats.

5. The merit list of candidates of under-developed districts will be displayed on district basis after ascertaining merit from amongst the candidates of the specific district subject to fulfillment of all other requirements and after verification of their documents from the concerned authorities.

6. The candidates eligible for admission against both open merit as well as reserved seats can avail only one seat. The Admission Board will allocate a seat to such a candidate purely on merit in a college of his/her choice as listed in his/her List of Preferences on his/her admission form. This means that the Admission Board will finalize his/her admission against the category of seats (it may be Open Merit or Reserved) in a college listed higher in the preferences given by him/her in his/her Admission Form. For example, if a candidate is being admitted, according to his own preferences, in college number 10 on open merit, and in college number 8 on Under-Developed Districts’ Seats, his admission will be finalized in the latter category. No application against the decision of the Admission Board shall be entertained afterwards.

7. Students admitted against these reserved seats from under-developed districts will be required to submit a Surety Bond on stamp paper (Annex-IV of the Prospectus), duly attested for amount of Rs.500, 000/- and with an undertaking that he/she shall serve in his/her district of domicile for at least five years or in default thereof pay Rs. Five Lac in lump sum to the Government of the Punjab.
iv) **FATA Seats:**

The admission against these seats will be made by the Government of KPK as per rules contained in the Prospectus of KPK Medical/Dental Colleges. The candidates of FATA shall appear in the Entrance Test of KPK.

v) **Azad Jammu & Kashmir and Gilgit-Baltistan (Northern Areas):**

Candidates belonging to Azad Jammu & Kashmir and Gilgit-Baltistan (Northern Areas) shall apply to their respective Nomination Boards that will forward their recommendations to Ministry of States & Frontier Regions (SAFRON), Government of Pakistan. The Nomination Boards will determine the inter se merit of the candidates from Azad Jammu & Kashmir and Northern Areas for admission to the 1st year MBBS/BDS class of the Government Medical and Dental Institutions of the Punjab. For admission, it is mandatory for the candidates of Gilgit-Baltistan (Northern Areas) to appear in the Entrance Test of Punjab only and not of Khyber Pakhtunkhwa(KPK).

The candidate having domicile of any district of Azad Jammu & Kashmir and refugees of Jammu & Kashmir (having State Subject Certificate) shall have to appear in the State Entry Test conducted by the Government of Azad Jammu & Kashmir w.e.f., session 2012-13, for admission against seats reserved for them in Punjab.

Only those candidates will be admitted to the various medical/dental colleges of Punjab, against seats reserved for Azad Jammu & Kashmir and Northern Areas whose nominations, together with the applications and certificates, are received through the Federal Government. **Direct applications shall not be entertained.** The Federal Government will forward nominations along with applications and all documents to the Government of the Punjab, Health Department for their admissions. The candidates will bring the original certificates when reporting for admission.

**NOTE:**

Admission Forms submitted by students for admission in medical/dental institutions of the Punjab will also be considered for Reciprocal Seats provided the relevant column in the admission form is duly filled along with an affidavit as per specimen given in Annex-III of the Prospectus. Separate applications will not be required. The Chairman Admission Board shall offer these nine seats to the candidates next on merit/waiting list after concluding admission on open merit seats.
BASIC ELIGIBILITY CRITERIA FOR ADMISSIONS

A) Required Qualifications

The candidates applying for admission against any category of seat must have passed the HSSC/FSc (Pre-Medical) examination from a Board of Intermediate and Secondary Education in Pakistan with at least 60% unadjusted marks (660/1100).

OR

Passed an examination of Foreign University/Board subject to the following:

i) The examination is recognized as equivalent to Higher Secondary School Certificate (HSSC) (Intermediate levels) by the Inter Board Committee of Chairmen (IBCC). It shall be the responsibility of the candidates to settle their cases with IBCC and should get equivalence certificate from IBCC, Islamabad, only for recognition of their qualification. The equivalence certificate must be attached with the application form before the closing date.

ii) Provisional equivalence certificate issued by the Inter Board Committee of Chairmen (IBCC) shall only be entertained for the Entrance Test and not for admissions.

iii) The candidate has obtained at-least 660/1100 (60%) marks according to the formula laid down by the Inter Board Committee of Chairmen (IBCC) Islamabad.

iv) The equivalence certificate of such candidate will not be accepted if he/she has not studied and passed the subjects of Chemistry, Biology and Physics/Mathematics in his/her 9th, 10th, 11th and 12th Grade/ O & A level or other equivalent examination recognized by the IBCC. He/she must have passed English as a subject at O or A level.

v) According to the Regulations of Pakistan Medical and Dental Council, the equivalence of IBCC in the above terms shall be
accepted in aggregate and the candidate shall be eligible for admission with any study group whichever the IBCC may write.

vi) For equivalence contact:
Inter Board Committee of Chairmen, Islamabad, at FBISE
Building H-8/4, Islamabad-PAKISTAN
Tele: +92- 51-9250452
Fax: +92- 51-9250454
Email: ibccpk@hotmail.com
Website: http://www.ibcc.edu.pk

B) Entrance Test
The candidate must have appeared in the Entrance Test of the Government of the Punjab. No admission shall be given to any candidate on Open Merit, Under-Developed Districts, Disabled, Cholistan, Azad Jammu and Kashmir and Gilgit-Baltistan (Northern Areas) Seats, who has not appeared in the Entrance Test of the Punjab for that particular session.

C) Age Limit
The Pakistan Medical & Dental Council has abolished the age limit for admission in MBBS/BDS course. There is no minimum or maximum age limit for admission in medical/dental institutions.

D) Minimum Technical Standards for Admission
A candidate to be admitted in medical/dental college against any category of seats, must have abilities and skills in five areas: observation, communication, motor, intellectual (conceptual, integrative and quantitative), and behavioral and social. Technological compensation can be made feasible for some disabilities in certain of these areas but a candidate should be able to perform in a reasonably independent manner. The use of a trained intermediary, a person trained to perform essential skills on behalf of the candidate, or a person used such that a candidate's judgment must be mediated by someone else's power of selection and observation, is not permitted.

I. **Observation:** The candidate must be able to observe required demonstrations and experiments in the basic sciences, including
but not limited to anatomic dissection, microscopic studies, and patient demonstrations. A candidate must be able to observe a patient accurately at a distance and close at hand. Observation necessitates the functional use of the sense of vision, hearing, and somatic sensation.

II. **Communication**: A candidate must be able to speak, to hear, and to observe patients in order to elicit information, describe changes in mood, activity, and posture, and perceive nonverbal communication. A candidate must be able to communicate effectively and sensitively with patients. Communication includes not only speech, but also reading and writing in English. The candidate must be able to communicate effectively and efficiently in oral and written form with all members of the health care team.

III. **Motor**: A candidate must have sufficient motor function to carry out the basic laboratory techniques and to elicit information from patients by palpation, auscultation, percussion, and other diagnostic maneuvers, perform a dissection of a human cadaver, and have sufficient motor ability to use a microscope. A candidate should be able to perform a complete physical examination (including pelvic examination); diagnostic procedures (e.g., venipuncture and basic laboratory tests (e.g., urinalysis). A candidate must be able to execute motor movements reasonably required to provide general care and emergency treatment to patients. Examples of treatment reasonably required of physicians are cardiopulmonary resuscitation, the administration of intravenous medication, the application of pressure to stop bleeding, the suturing of simple wounds, assisting in surgical operations, and the performance of simple, general obstetrical and gynecological procedures. Such actions require coordination of both gross and fine muscular movements, equilibrium and functional use of the senses of touch, vision, and hearing.

IV. **Intellectual- (Conceptual Integrative and Quantitative Abilities)**: Problem solving, the critical skill demanded of physicians, requires that a candidate be able to learn, retrieve, analyze, sequence,
organize, synthesize and integrate information efficiently, and reason effectively. In addition a candidate should possess the ability to measure and calculate accurately, to perceive three-dimensional relationships and to understand the spatial relationships of structures.

V. Behavioral and Social Attributes: A candidate must possess the emotional health required for full utilization of his intellectual abilities, the exercise of good judgment, the prompt completion of all responsibilities attendant to the diagnosis and care of patients, and the development of mature, sensitive and effective relationships with patients and their family members, staff, and colleagues. Each candidate must be able to work effectively as a member of a health-care team. Candidates must be able to tolerate physically taxing workloads and to function effectively under stress. They must be able to adapt to changing environments, to display flexibility and to learn to function in the face of uncertainties inherent in the clinical problems of many patients. Compassion, integrity, concern for others, interpersonal skills, collegiality, interest, and motivation are all personal qualities that are assessed during the admission and education processes.

In addition to the abilities above, applicants and enrolled medical students must possess the general physical health necessary for performing the duties of a medical/dental student without endangering the lives of patients and/or colleagues with whom the student might have contact.
ADMISSION PROCESS

Calculation of Aggregate Percentage

(i) According to the Regulations of Pakistan Medical and Dental Council (PMDC), the merit for admission shall be worked out after adding all marks as given below:

- Matriculation (SSC or Equivalent) – 10%
- FSc (Premedical or Equivalent) – 40%
- Entrance Test – 50%

(ii) No marks will be deducted for extra attempts availed in HSSC/FSc examination by the candidate beyond the period two years after passing the SSC/ Matriculation annual examination.

(iii) **Formula for calculation of merit**:

If,

\[ X = \text{Marks obtained in Matric or Equivalent} \]
\[ A = \text{Total marks in Matric or Equivalent (850 or 900 or 1050)} \]
\[ Y = \text{Marks obtained in FSc, out of total 1100 marks} \]
\[ Z = \text{Marks obtained in Entrance Test, out of total 1100 marks} \]

Then the formula for calculation of aggregate marks is as follows:

\[ \frac{X}{A} \times 1100 \times 0.10 + Y \times 0.40 + Z \times 0.50 = \text{Aggregate Marks} \]

**Example:**

- Marks obtained in Matriculation = 742 / 850
- Marks obtained in HSSC/FSc = 944 / 1100
- Marks obtained in Entrance Test = 840 / 1100

**By applying the aforementioned formula:**

\[ 742 \times 1100 \times 0.10 + 944 \times 0.40 + 840 \times 0.50 = 893.62 \]

**Aggregate Percentage=893.62 \times 100 / 1100=81.2381**

(iv) Final calculation in percentage will be rounded up to **four decimal points**.
Submission of Admission Forms

(i) Only those candidates having domicile of any district of the Punjab and Federal Capital Area (Islamabad) are eligible to apply for admission against open merit seats in public sector medical/dental institutions of the province.

(ii) Only those candidates having an aggregate percentage of 80 per cent or above (excluding Huffaz-e-Quran), shall apply on prescribed admission forms for admission against open merit seats, according to the notified schedule. The Admission Form and the Prospectus shall be available from University of Health Sciences Lahore, Nishtar Medical College(NMC), Multan, and Rawalpindi Medical College(RMC), Rawalpindi, absolutely free of cost.

(iii) No call letters will be issued to the eligible candidates for submission of admission forms.

(iv) No Admission Form will be accepted after the due date for submission of forms.

(v) The condition of “80%” will not be applicable on candidates seeking admission against any category of reserved seats. These candidates, if they meet minimum eligibility criteria, shall apply as per notified schedule.

(vi) **College Choice**

a. When filling out the application, every applicant has to rank the medical and dental colleges in order of preference, starting with his/her first choice. In other words, all eligible candidates are allowed to list up the full names of medical and dental colleges in the order that they would like to be considered for admission.

b. The order of preferences once given shall be final and cannot be changed subsequently. This condition is mandatory and neither any subsequent change is entertainable nor any exceptions will be made.
c. Starting with the first preference, applicants will be assessed and ranked according to the merit for each college. A computerized matching process will allocate applicants meeting the minimum merit requirements a place to the highest listed preference for which they are eligible.

d. Once offered a place to the highest listed preference, an applicant cannot demand admission to a college named lower in his/her preferred list.

e. An applicant, under no circumstances, shall be considered for a college, he/she has not named in his/her order of preferences. The Admitting Authority shall not assign a college by itself if the alternate choices are not indicated.

f. Applicants are advised not to name their preferred college repeatedly in every space on the Admission Form. Similarly, it is also pointless to name only one college. In either case, the applicant will receive a single place on the list for that college and it will not increase the chances of his/her being allocated a seat in that particular college.

(vii) There is no need to submit separate admission forms for MBBS and BDS programmes.

(viii) The candidates shall submit their Admission Forms by hand at University of Health Sciences Lahore, NMC and RMC. Admission Forms received by post shall not be entertained.

(ix) The candidates must attach with the completely filled Admission Form, the following certificates and documents, attested by a gazetted government officer. The stamp of the officer must bear his/her full name, designation and current place of duty:
(a) Three (03) attested copies of Secondary School (Matriculation) Certificate. Detailed Marks Certificate issued by the Board is also acceptable. Candidates having foreign qualifications must provide the attested copies of Equivalence Certificate issued by IBCC.

(b) Three (03) attested copies of Birth Certificate issued by Union Council, if date of birth is not mentioned on Secondary School (Matriculation) Certificate.

(c) Three (03) attested copies of Higher Secondary School (FSc Pre-Medical) Certificate issued by the Board. Hope Certificate shall not be acceptable at this stage. Candidates having foreign qualifications must provide the attested copies of Equivalence Certificate issued by IBCC.

(d) Three (03) attested copies of Domicile Certificate of the candidate. No other certificate or document (e.g. Birth Certificate, B-Form, CNIC, etc.) is acceptable in lieu of Domicile Certificate of the candidate. Any candidate found to have domicile of more than one place shall be disqualified.

(e) Three (03) attested copies of Character Certificate from the institution last attended.

(f) Three (03) attested copies of CNIC of Father / Guardian.

(g) Four (04) recent passport size photographs. One to be pasted on the Admission Form and to be attested on the front, and other three, attested on the back, to be attached with the form.

(h) Original Fitness Certificate issued by a registered medical practitioner / Government Medical Officer.

(i) Original Affidavit on Rs.20/- stamp paper as per specimen given at Annexure-I of the Prospectus.

(j) Candidates claiming to be Muslim Huffaz-e-Quran shall attach three (03) attested copies of Hifz-e-Quran Certificate issued by a registered Madrassa.

(k) Candidates claiming to be disabled students shall attach Original Disability Certificate as per specimen given at
Annexure-III of the Prospectus, issued by a certified specialist working in a Government Hospital.

(I) Candidates seeking admission against seats reserved for Under-Developed Districts shall attach Original Certificates from the Heads/Principals of the concerned educational institutions where they have studied from class one to twelve. These certificates must be duly verified by concerned EDO (Education) and DEO (Colleges) and countersigned by the DCO of relevant district. These candidates will also submit a Surety Bond on Rs.20/- stamp paper as per specimen given as Annexure-IV of the Prospectus.

(x) Admission Form along with all required documents once submitted shall not be returned. Similarly, documents once submitted cannot be changed and shall be considered as final.

(xi) Revision of result or improvement of marks by any Board after the submission of Admission Form shall not affect the merit list of admissions for the current year in any way. In other words, revised marks certificate shall not be acceptable once the candidate has submitted his/her Admission Form.

(xii) A candidate can submit only one admission form. In case, he/she submits more than one form, the form(s) submitted subsequently will be rejected.

(xiii) Incomplete or unsigned Admission Forms will be rejected.

(xiv) Marks of Hifz-e-Quran

a. Twenty (20) marks will be added to HSSC/FSc or equivalent marks of a Muslim Hafiz-e-Quran subject to the verification of the same by a Committee comprising eminent Huffaz-e-Quran, constituted by the Chairman Admission Board.

b. The Committee will conduct a structured test of the candidates who claim to be Huffaz-e-Quran.

c. Only those candidates, who have secured 79 per cent or above weighted aggregate marks (excluding the marks
of Hifz-e-Quran) according to the formula given above, shall be invited for the test.

d. Hifz-e-Quran certificate alone issued by any Madrassa is NOT acceptable for the award of twenty (20) marks.

e. Hundred percent (100%) proficiency in Hifz is required at the time of test by the candidate to attract the benefit of twenty (20) marks.

f. As these Twenty (20) marks are to be added in FSc marks, therefore, the merit will be calculated by adding 40 per cent of Hifz-e-Quran marks (i.e., 08 marks) in the previous aggregate score of the successful candidate.

g. The decision of the Committee shall be final in this regard.

Selection and Admission of Candidates

(i) The candidate will be selected by the Admission Board. The decisions of Admission Board in respect of selection and admission shall be final.

(ii) The Chairman Admission Board shall be competent to rectify any error or omission found in the Selection List.

(iii) The selection of the candidates against open merit seats shall be made on the basis of Merit, Choice, Availability of seat, and in that order.

(iv) Whenever two or more than two candidates are bracketed, i.e., they have exactly the same percentage after calculation, the one senior in age will be given preference to the other for the purpose of admission. In case the tie continues, higher score in Matriculation (SSC or equivalent) shall be preferred for admission.

(v) There shall be separate Selection Lists for MBBS and BDS for open merit and reserved seats.
(vi) Complaint, if any, against the selection list may be lodged within 10 days of the notification. No complaint will be entertained thereafter.

(vii) If considered necessary, the Admission Board may call any candidate for interview at his/her own expenses.

(viii) The Admission Board may refuse admission to any candidate who seems, for reasons to be recorded in each case at the time of interview, to be unsuitable or unlikely to become a good doctor. In case such a candidate is admitted, he/she can be struck off the rolls of the college, after issuing a notice to him/her to that effect.

(ix) Selected candidates will be issued call letters by concerned colleges for interview.

(x) Selected candidates shall have to submit all original documents and certificates at the time of interview. The original documents of the selected candidates will be retained by the college concerned and will be returned on leaving the institution.

(xi) The Medical Board of the respective medical colleges will examine selected candidates. If a candidate is disqualified medically, for reasons to be recorded, he/she will not be admitted. The Candidate must produce certificate to have been:

a. Inoculated against the enteric group of fevers within the preceding 12 months.

b. Fully vaccinated against Tetanus.

c. Fully vaccinated against hepatitis “B” virus.

d. Foreign students will have to produce a certificate of their HIV status from prescribed laboratories in Pakistan. If during the course of studies any student is found to be positive for HIV infection, he/she shall be repatriated at his/her own cost to his/her country of origin.
(xi) The parent(s) or legal guardians must accompany all the candidates at the time of interview.

(xii) No candidate will be admitted unless he/she has paid the fee and other dues. **All dues must be paid by the due date, otherwise the admission of defaulting students will be cancelled and next candidate on merit will be considered for admission.**

(xiii) **Admission Rules for already admitted students**

a. If a candidate already admitted in any medical/dental institution (public or private) of the country, wishes to get admission in Government Medical & Dental Institution of the Punjab, he/she will have to surrender his/her previous admission completely and will not be entitled to any credit of examinations passed as well as dues paid prior to fresh admission.

b. He/she will have to appear in the Entrance Test afresh in the current year.

c. He/she shall have to **disclose** his/her previous admission in the Admission Form and shall also have to declare (as per specimen given as Annex-V of the Prospectus) that he/she will not be entitled to any credit earned on the basis of his/her previous admission.

d. The candidate must not have exhausted all his/her chances to clear first professional examination and should be eligible to carry out further medical/dental education in Pakistan according to PMDC Rules and Regulations.

e. Non-disclosure of previous admission shall result in cancellation of admission secured in the current session.

f. Under no circumstances a student will be allowed to rejoin the surrendered course.
(xiv) A student who is admitted to the first year MBBS/BDS class but is continuously absent from the beginning of the academic session for a period of **four weeks** without any valid reason shall be struck off from the college roll and his/her seat will be filled on the basis of merit from the waiting list.

(xv) According to PMDC regulations, the maximum period permitted for continuation of MBBS or BDS class after discontinuation of studies by any student (who has passed first professional examination before the discontinuation) for any reason is **five years**. If he/she rejoins the institution after **three years**, he/she shall have to retake the last professional examination.

(xvi) **Any up-gradation of a candidate consequent upon creation of a vacant seat for any reason shall be mandatory for the candidate to join the institution strictly in accordance with the preference of colleges specified in his/her Admission Form and NO exception, whatsoever, will be taken under any circumstances.**

(xvii) If a seat falls vacant, the next candidate on merit in that category will be selected. Admission will be closed after a lapse of a period of **three (3) months** from the start of first year MBBS/BDS class. However, if any vacancy occurs as a result of a candidate having been struck off the college roll on account of securing admission by fraudulent means, it will be filled in to safeguard the right of the next person on merit list up to the end of the first year class. However, he/she will not be permitted to appear in first year examination till he/she has attended 75 per cent lectures and 75 per cent of practical classes held.

(xviii) **All admission will be provisional.** Chairman Admission Board reserves the right to get the documents verified submitted with admission form.

a. If any document/information provided by candidate is found false/fake or fabricated at any stage of
MBBS/BDS courses, his/her admission will be cancelled.

b. Any candidate found to have submitted forged certificates or fake documents with the Admission Form shall be permanently debarred from admission to any medical/dental college.

c. Government can take any legal action against such candidates under the existing criminal laws. Similarly, father/guardian making any false statement is also liable to legal action.

d. The head of the institution also reserves the right to forfeit fees and dues paid by such a candidate.

REMEMBER

Admission of the candidate will be cancelled:

1. If it is found at any stage of MBBS/ BDS course that the candidate was not entitled for admission according to the medical & dental institutions admission policy of the Punjab.

2. If candidate is found medically unfit at any stage of MBBS/BDS course.

3. If candidate fails to report for admission and deposit the fee on due date.

4. If any document/information provided by candidate is found false/fake or fabricated at any stage of MBBS/BDS course.

MIGRATION POLICY

As regards migration of students in medical/dental institutions of the Punjab, following policy will be followed:

1. Migration in medical/dental institutions shall be allowed by a Centralized Committee under Chief Secretary Punjab only.

2. The Centralized Committee shall allow migration only if the student concerned has appropriate merit for obtaining admission in the institution to which he/she is seeking migration at the time of initial admission of the student concerned.

3. Migration shall be allowed only after passing BDS/MBBS first professional (Part-I & II) examinations, against a clear vacancy at the recipient institution.

4. No migration shall be allowed in final year.

5. The weighted average of FSc, Entrance Test and professional examination marks be used to ascertain merit. The weightage shall be finalized by the Committee constituted by the Chief Minister.

6. The policy shall be restricted to migration to and from public sector institutions only.

7. Candidates admitted on reserved seats shall not be allowed migration.

8. No mutual migration shall be allowed.

9. No migration shall be allowed in violation of sanctioned strength of the class.

10. These parameters shall also apply to inter-provincial migrations where NOC from both the Principals and Provincial Governments shall also be required.

11. The institutions may, for reasons to be recorded, recommend forced migration of a student on disciplinary/administrative grounds to the Government. Government of the Punjab has the authority to approve such migration on administrative grounds.
12. Children of Government servants of Punjab domicile, stationed abroad on official duties, on their transfer back may be allowed migration subject to availability of seats according to their merit provided that:

(i) It is approved by the Government of the Punjab.

(ii) The University of Health Sciences Lahore has determined the eligibility of the student concerned for admission to a particular MBBS/BDS class after determining the equivalence of the course of the college from where a student is to migrate.

(iii) An NOC has been issued by the PM&DC for such migration.

13. The Hardship Committee comprising Vice Chancellors of UHS & KEMU Lahore, all the Principals of public sector medical and dental colleges, working under the Chairmanship of Chief Secretary Punjab, will scrutinize and approve migration cases in accordance with the revised policy approved by the Government.

Students remanded twice in a class will pay Rs.2000/- per month.

10. The Academic Council of the institution may determine the rates of Students\' Welfare Fund, Sports Fund, Magazine Fund and Mosque Fund, etc., according to the local conditions.

11. Those students who avail the college transport will pay monthly charges in accordance with the rates as decided by the Academic Council of the institution from time to time.
12. **Remission of Fee**:

a) Remission of fee will be allowed by the Head of the Institution up to 10% of all students belonging to Punjab excluding remanded students (two half fee concessions are equivalent to one full fee remission). **Remission of fee means only tuition fee.** No other fee or fund will be refunded.

b) **Remanded students will not be entitled for fee concession.**

c) Applications for fee remission must be submitted by the candidates along with statement from First Class Magistrate stating the financial position of the applicant’s parent/guardian and from the head of the department. Fresh applications will be required every year.

d) The grant of such remission will rest with the Head of the institution and will depend upon the financial condition, general conduct, work and progress of the student. Absence from or failure in professional or house examination, breach of discipline, neglect of studies or irresponsible conduct shall entail the loss of the concession.

e) Any student who leaves the institution with the object of continuing his/her studies elsewhere may receive certificate of attendance and lectures on payment of fee at the following rates:

i. In case of registered students who have passed the University Professional Examinations, in the subject for which certificates are required Rs.100/- for a combined certificate embracing all, and Rs.30/- for certificate for one subject.

ii. In case of registered students who have failed to qualify the University Professional Examination fee is Rs.100/- for each period of hospital instructions.
13. **Refund of Fee:**

If the student wishes to leave the institution and does not join classes on commencement of the classes then there shall be a 100% refund of all deposited fee except for the one time admission fee. If the student wishes to leave the institution within two months of commencement of classes, there shall be 50% refund of all deposited fee and if the student wishes to leave the institution after two months of joining classes then there shall be no refund.
THE COLLEGE SESSION

The Academic Year for 1st year MBBS/BDS shall be of at-least 09 calendar months, and will be tentatively divided into three terms namely, Winter, Spring and Summer.

Vacations

♦ Students will avail vacations in accordance with the schedule decided by the College Academic Council.

♦ Hospital teaching continues during summer vacation. Students performing hospital duty will be divided in batches. Timetables for various batches will be prepared by the timetable Committee. If needed, classes may also be continued during the summer vacation.

Time Table

The programme of lectures, practical classes and hospital training will be notified by the Head of the Institution before the commencement of the academic session and during the session if a change is required.

Classes

Teaching, training, syllabus, courses, send up examinations etc, are carried out according to the rules and regulations of the concerned University.
COURSES OF STUDIES

The vision for training of Health Professionals is based on a Bio-Psychosocial model of healthcare with emphasis on high standards of ethics, communication skills, character building and organizational skills rooted in local realities and promotion of indigenous health research relevant to local needs.

Medical Education is now keeping pace with international trends in curriculum and instructional strategies. The academic programmes are focused on Integrated Teaching, Problem – Based Learning, Evidence Based and Community Oriented Medical Education.

The subject of Behavioural Sciences (The Humane Face of Medicine) has been introduced which is taught during the first two years and examined in the second professional MBBS and BDS Examinations. The contents include Ethics, Culture and Medical Practice, Psychological Reactions, Breaking Bad News, Psychosocial Aspects of Health and Disease, Communication Skills, Counseling, Crisis intervention and Informational Care.

The institutions will make regular assessment of their students. The feedback of result shall be discussed with each student. Continuous assessment systems will be used to establish the progress of students toward achievement of attitudinal objectives as well as those of knowledge and skills. The institute will monitor student’s progress in all basic and clinical disciplines so that students can be adequately assessed with regard to their clinical skills and acumen before the final examination.

The internal evaluation of students in written, clinical, practical, oral examination and attendance will be given due weight-age and credited to the marks earned in respective university professional examination.

EXAMINATIONS

Examinations are of two kinds:

I) Internal Examinations
II) University Examinations

I) Internal Examinations

Send Up examinations shall be compulsory for students of all classes. Students who do not appear or fail in the examination will be regarded as students whose courses of instructions are incomplete and unsatisfactory and will not be allowed to appear in the university professional examination for promotion to the next higher class and may also lose the scholarship, if any, granted to them. \textbf{Pass percentage for Send up examinations is 50\%}. 

A) MBBS

i) \textbf{First Year M.B.B.S.} There will be send up examination in the subjects of Anatomy, Physiology and Biochemistry. Students will not be allowed to sit in the University Examination if they fail in any of the subjects in the send up examination.

ii) \textbf{Second Year M.B.B.S.} There will be send up examination in the subjects of Anatomy, Physiology and Biochemistry. Failed Students will not be allowed to sit in the University Examination if they fail in any of the subjects in the send up examination.

iii) \textbf{Third Year M.B.B.S.} There will be one send up examination. The subjects will be: -

1. Pharmacology and Therapeutics
2. Forensic Medicine and Toxicology
3. General Pathology
4. Behavioural Sciences
5. Clinical Methods in Surgery
6. Clinical Methods in Medicine
All subjects will be compulsory for the purpose of examination but only those students will be detained from appearing in the University Examination who fail in any of the first four subjects.

iv) Fourth Year M.B.B.S. There will be send up examination in the following subjects:

1. Special Pathology
2. Community Medicine
3. Ophthalmology
4. Oto-Rhinolaryngology
5. Medicine
6. Surgery
7. Obstetrics & Gynaecology

The students will be allowed to sit in the University Examination only if they clear at least the first four subjects.

V) Final Year M.B.B.S. The send up examination will be conducted in the following subjects:

1. Medicine & Allied Specialties including Psychiatry and Dermatology
2. Surgery & Allied Specialties including Orthopaedics and Anaesthesia, etc.
3. Obstetrics & Gynaecology
4. Paediatrics

The students will be allowed to appear in the University Examination only if they pass in all subjects.

B) BDS

i) First Year BDS. There will be send up examination in the subjects of Anatomy, Physiology and Biochemistry and Oral Biology & Tooth Morphology. The students who fail in any of the subjects in the send up examinations, will not be allowed to sit in the University Examination
ii) **Second Year BDS**: There will be send up examination in the subjects of General Pathology, Pharmacology and Therapeutics, Community and Preventive Dentistry, Science of Dental Materials and Behavioural Sciences. The students who fail in any of the subjects in the send up examinations, will not be allowed to sit in the University Examination.

vi) **Third Year BDS**: There will be send up examination in the subjects of Medicine, General Surgery, Oral Pathology, Periodontology and Oral Medicine. The students who fail in any of the subjects in the send up examinations, will not be allowed to sit in the University Examination.

vii) **Final Year BDS**: There will be send up examination in the subjects of Prosthodontics, Operative and Conservative Dentistry, Oral and Maxillofacial Surgery, Orthodontics and Radiology. The students who fail in any of the subjects in the send up examinations, will not be allowed to sit in the University Examination.

**Note:**

1. During the clinical years, the progress of the students will be judged from the remarks of the respective Professor on the Clinical Record Cards. Those students, whose cards show unsatisfactory work during any of their clinical assignments, will be detained from appearing in the final professional examination of the university.

2. A duplicate record of Clinical Card of each student will be kept in the office of the concerned Professor.

3. **Ten percent (10%) of marks of university examinations are based on internal assessment.**

4. Remanded students will not be detained from the University examination if they have fulfilled the required percentage of
attendance and have satisfactory report from the respective professor for their work during the terms, in question.

5. Certificate of Honour is awarded by the college to the student who obtains 75% or more marks in a subject of Send Up examination of the year provided he/she does not get less than 50 percent marks in other subjects of the same examination.

II) University Examinations

University Examinations are strictly governed by the statutes and regulations of the University

**Important Rules & Regulations:**

1. Pass marks for professional examinations are 50% separately in theory and practical of each subject. In the clinical subjects of Final Professional, 50% of marks for clinical part separately are essential to pass in practical. A student shall be declared successful only if he/she passes in all components of examination (i.e. theory/practical/clinical) at the same time.

2. Before appearing in the University Examination, the students will be required to produce ‘No Dues Certificate’ from the contractor of college and Hostel Tuck Shops, College Cashier, College Librarian and hostel warden. Those students who are unable to produce the same will be liable to be detained by the head of the institution from appearing in the university professional examination.

3. No student shall be allowed to appear in any university examination unless he/she has attended at least 75% of the lectures, demonstrations, tutorials and the practical or clinical assignments.

4. In case a student fails to pass the Professional Examination in annual as well as supplementary examination his provisional promotion to the next higher class shall stand automatically cancelled and he/she shall revert to the previous class and the academic credits earned during his/her provisional promotion shall also stand cancelled.

5. If a student appears in the supplementary examination for the first time as he/she did not appear in the annual examination and failed in any subject in the supplementary examination, he/she will be detained in the same class and will not be promoted to the next class. **Promotion on CARRY ON basis will not be allowed under any circumstances.**

6. The head of institution reserves the right to detain any student from appearing in the Professional University Examination at any stage, if in his/her opinion, the student is found to be short of attendance in theory or practical of any subject or his work is reported to be unsatisfactory by any professor, lecturer or if in the opinion of the head of the institution the character and conduct of the student is unsatisfactory.
7. Award of Grace Marks or any such increase in marks by any other manner is not permissible under any circumstances.

8. UHS has introduced Objectively Structured Performance Evaluation (OSPE) in its affiliated institutions to eliminate bias, favoritism and victimization in viva voce, practical and clinical examinations.

9. There is zero tolerance for use of unfair means in examinations.

10. **Regulations for Internal Assessment**
(i) The weightage of internal assessment shall be 10% in all subjects. 5% internal assessment marks shall be added to the aggregate score of Theory and 5% internal assessment marks to aggregate score of Oral and Practical Examination and not to an individual component like MCQs, SEQs Paper or Oral / Practical / Clinical Examination.

(ii) Continuous internal assessment shall consist of evaluation at the end of each assignment, e.g. stages/sub-stages, class tests etc., attitudinal assessment from educational and or clinical supervisors, clinical skill assessment from clinical supervisors, and Year’s work books.

(iii) Assessment of Knowledge, Skills and Attitude shall contribute towards internal assessment. Methods used to assess these domains shall include Multiple Choice Questions of one-best type, Short essay questions, Oral/Viva, and Practical Clinical examinations.

(iv) The score of internal assessment shall contribute 10% to final examination and final university examination of each subject shall contribute 90% to total score, and the candidate shall pass in aggregate.

(v) Awards of internal assessment in all the subjects of all the candidates shall be submitted to the Controller of Examinations along with Admission Forms for the annual examination. Internal
assessment received after commencement of the final examination shall not be accepted.

(vi) The marks of internal assessment shall be submitted only once a year prior to annual examination and the same shall be counted both for annual and supplementary examinations. It is further emphasized that fresh assessment or a revision of assessment for supplementary examination shall not be permissible.

(vii) Proper record of continuous internal assessment shall be maintained by respective departments of the medical/dental colleges.

(viii) Internal assessment awarded in particular year may not be decreased subsequently detrimental to the candidate.

House Job

House Job means one year compulsory fulltime internship or residential clinical work in a hospital recognized by Pakistan Medical and Dental Council, for the purpose of attaining full registration with the Council.

In MBBS, there shall be six months training in medicine and allied disciplines, and six months internship in surgery and allied disciplines. A house job should have a structured, and supervised training programme with opportunities for self-learning. House Jobs should be evaluated and certified.

In BDS, there shall be rotational duties in all the four disciplines of the dentistry i.e. (Oral Surgery, Prosthetic, Orthodontic and Operative Dentistry). 100% arrangements for the paid house job to the fresh dental graduates will be the responsibility of the institutions where the students are trained.

All the institutions are bound to provide house job to their fresh graduates. The departments for house job shall be allocated on the basis of merit alone. All rules regarding house job, gazetted in the Pakistan Registration of Medical and dental Practitioners Regulations 2008, shall be strictly applicable on all medical/dental institutions of the Punjab.
1. The students are divided into groups, every group being made up of a proportion of students from each class.

2. The group tutors will comprise of professors and associate professors of the institution.

3. A student once placed in a group will remain in that, until he/she leaves the institution. Under no circumstances, shifting of a student from one group to another will be permitted.

4. The tutor in charge of the group will meet the respective group of students according to the schedule drawn by the head of the institution.

5. The objective of the tutorial group meetings is to keep the staff and students in touch with one another and to promote mutual good feelings and understanding. Each tutor is to look personally into all difficulties of students in the tutorial group (individually or collectively), which may be referred to him for opinion and advice.

6. Any grievance, which the students may have with regard to the institution life, should be brought to the notice of their tutors in the first instance who will enquire into the matter and bring these to the notice of the head of the institution, if necessary.
SCHOLARSHIPS

A. Punjab Government Merit Scholarships

(i) The following merit scholarships are sanctioned by the Punjab Government:

M.B.B.S.

Two scholarships for students of each year

Two scholarships for students of each year

B.D.S.

Two scholarships for students of each year

(ii) The scholarships will be awarded on the basis of student’s performance in previous professional examinations. Each scholarship will be tenable for one year only except for final year MBBS students who will receive annual amount of Rs.4500/- (non-boarder), Rs.9000/- (boarder) during their stay in final year till the final professional examination.

(iii) The grant of these scholarships will be dependent on the student’s general conduct and assiduity. Absence from or failure in professional or class examination, breach of discipline, neglect of duties or reprehensible conduct may entail termination of scholarship.
B. **Indigent Scholarships**

These scholarships will be awarded to MBBS students on the following terms and conditions:

i. The students who secure admission in a medical college and income of whose parents or guardian is less than Rs.15000/- per annum will be eligible for the award of scholarships.

ii. The scholarship awarded will be for the period of 5 years subject to satisfactory work and conduct of the student during the whole course.

iii. Each scholarship holder shall give a surety bond to serve the Government for the period of five years after graduation if a job is offered by the Government. The instructions for filling the surety bond can be obtained from the office of the head of the institution.

iv. The indigent scholarship not used by any medical institution in Punjab will be transferable to another institution on a request to the Health Department. The head of the institution will intimate the Health Department of the amount of indigent scholarships that has not been used well in time so that the other colleges may be informed.

C. **The Punjab Educational Endowment Fund (PEEF) Scholarships**

Punjab Educational Endowment Fund (PEEF) is an initiative of the Government of Punjab under the leadership of Chief Minister, Mr. Muhammad Shahbaz Sharif. It has been established with initial seed money of Rs. 2 billion. Investment proceeds out of this fund will be utilized for the award of scholarships.

PEEF endeavors to bring best educational opportunities to the less privileged and talented youth of Punjab in order to bring them at par with the more fortunate ones. It plans to award scholarships to talented and needy students who showed outstanding performance in their tehsils/districts in the Secondary and Intermediate Examinations. In the first phase, PEEF awarded 5000 scholarships to students, including
medical and dental students, on the basis of their tehsil / district-wise merit.

While adopting a **pro-active approach**, PEEF itself contacts the eligible students. Subsequently, after obtaining the relevant data from BISEs, PEEF writes letters to prospective students informing them that they have been shortlisted for scholarship. On the basis of applications received for Merit scholarships & under Special Quota Category, PEEF after verification of student credentials, will finalize lists of the selected candidates and will write confirmation letters and will award the “**PEEF Scholarship**” to successful students.

### D. Local Bodies Scholarships

Local Bodies Scholarships of varying value in the college are paid through the head of the institution from the funds of Local Bodies of Punjab.

### E. Donor Agencies Scholarships

Donor agencies scholarships are available for deserving students. The candidates may seek information from the college office.
EXTRA CURRICULAR ACTIVITIES

The students are encouraged to take part in extra curricular activities. The following societies of students are allowed in medical/dental colleges:

(i) Literary Society  
(ii) Sports Society  
(iii) Social Welfare Society  
(iv) Hiking Club  
(v) Dramatic Club

Physical Medical Examinations

Every student has to undergo physical medical examination at least once a year. The examination may be repeated in cases requiring further investigations. Findings are recorded in a case book, containing the five years medical and physical history of a student; medical defects are brought to the notice of parents or guardian and treatment is given in the college hospitals. Students admitted in the hospital will be treated as general ward patients.
LIBRARY

The library shall be under the control of the head of the institution, which may set up a sub-committee with a convener for its day-to-day management.

1. The Library will be open on all working days from 08:00 A.M. to 10:00 P.M.

2. Silence and order must be maintained in the library at all times. Any infringement of this rule will be punished by a fine.

3. Any person, who loses, defaces or otherwise seriously damages book etc., shall be liable to pay the cost of the replacement and in the event of the book being one of the set or series, the cost of whole set or series shall be paid by the person.

4. The following shall be entitled to use the library:
   a) The staff of the institution and allied hospitals.
   b) Students of the institution.
   c) Other doctors as approved by the library Committee provided:
      i) They become subscribers to the Student's Welfare Fund by paying an annual subscription of Rs.500/-
      ii) They deposit Rs.500 as security for the return of books.
      iii) They agree to replace or make good any book lost or damaged to the satisfaction of the librarian by a security of Rs.500 as deposit only.
      iv) A retired teacher of the medical college may become a member of the library by deposition of Rs.500 as security.

5. Books that are required for occasional reference, such as encyclopedias, dictionaries, etc. and books of great value or rarity shall not be removed from the library.

6. Books that are borrowed from the library are not transferable.

7. Books are issued strictly according to the priority of demand.

8. A suggestion book is kept in the library in which suggestions for new books are invited.
Rules for Students

1. Students will have to deposit Rs.500/- as library security which will be refundable.

2. Only one book will be issued for lending purposes at one time.

3. No book shall be kept by any student for more than 14 days. This privilege does not include the vacations. For each succeeding day that a book be kept, there shall be fine of Rs.10/- but the total fine shall not exceed the price of the book. Further issue of books shall be stopped till the fine is paid and the book returned to the library.

4. If the reason of non-return of book in time is beyond the control of the student and the head of the institution is satisfied, he may reduce the fine.

5. Textbooks prescribed by the University shall not be issued to the students.

6. Every borrower will be supplied with a borrower’s student card, which shall be stamped by the librarian every time a book is issued / returned. If a card is lost, a new card is to be purchased from the librarian for Rs.20/-. 

7. The book card placed in the pocket at the end of the book must be delivered to the librarian before the book is taken away and the borrower must have it stamped.

8. The borrower card is not transferable.

9. During stock taking, which will be notified, all books taken must be returned.

10. Periodicals and newspapers received for the students section are placed on the table for the use of the students and must not be taken away under any circumstances.
HOSTEL

A. Admission to the Hostel

(a). The institutions are not bound to provide hostel accommodation to every student, however, accommodation will be provided subject to availability and according to the merit.

(b). Hostel accommodation will be given to students seeking admission in the medical/dental institutions, domiciled in places other than the city in which the institution is situated. Day scholars cannot apply except under special circumstances.

(c). The head of the institution, on recommendations of the warden may refuse admission or reject the application of a student if he/she is satisfied that he/she is not a desirable person to live in the hostel.

(d). There are separate hostels for boys and girls. These hostels are open only to students on the respective college roll.

(e). Seats shall be allotted by the warden in order of seniority and merit which will be determined by the year of study and by the marks obtained at the last University / promotion examination. Failure in a class will be a discredit.

(f). In making allotment the warden will also take into consideration the status of a boarder as well as his conduct and character.

(g). Hostel allotment of students with outstanding dues is liable to cancellation.

(h). Final year remanded students may be provided hostel accommodation subject to availability.

(i). No boarder is allowed to change his/her seat or accommodation without special permission of a warden concerned.

(j). If a student who is allotted hostel accommodation is not personally residing and administration finds the misuse of the room i.e. keeping unlawful or illegal occupants, his/her allotment will be cancelled and the case will be referred to the Disciplinary Committee for further necessary action.
B. Hostel Fee & Subscription

Hostel fee and subscription are payable by the students in advance for the full year along with the college fee:-
